

Tank Car Blind Flange

Black Anodized Aluminum

Part Number: TCBF100A

Top Side

Under Side

Protect your bottom outlet valve between unloadings. Lightweight design reduces operator injury due to handling heavy, awkward steel designs.

Key Features/Benefits:

- Lightweight 356 Aluminum casting.
- Black Anodized finished (theft deterrent and improved surface protection).
- 1" NPT plug in various materials - customer choice.
- Integrated cable seal provisions and chain attachment point.
- For Corn Syrup service.
- Raised face sealing surface.
- Ø9 1/2" Bolt Circle – 4 bolt.

*Part numbers referenced are for images shown.
Additional configurations are available.
