Salco's Handrail Guard Helps Ensure Workers' Safety

SALCO's lightweight aluminum handrail safety guard assembly is designed to provide a safer area for personnel working on the platforms of tank cars

- Equipped with a polypropylene carrying strap.
- Has 2" x 18" Reflexite reflective tape on each side.
- Can prevent workers from falling from tank car platforms.

Salco's safety guard is easy to attach and detach from the railing. Once attached, the guard can easily be raised to allow access to and from the platform
