

30 Inch Non-Vented Hatch Cover

HOPPER CAR

Part Number: PHC3007PRE

Salco's 30 inch Non-Vented Hatch Cover provides maximum protection of your product with its superior seal, high impact design and UV stabilized material.

CUSTOMER BENEFITS

- Lightweight but durable HDPE cover
- Seamless and glueless gasket
- Superior seal
- Saves time, labor, and reduces accidents
- Lockable hardware
- Conversion arrangements available

PROVEN RECORD OF PERFORMANCE

A cover significantly lighter than steel and fiberglass hatch covers at only 22lbs. UV stabilized material is effective in all climates and weather conditions. With millions of our covers in service over the past 20 years, the material quality and flawless design speak for itself.

With conversion arrangements available for every major car manufacturer, Salco can meet your vented and non-vented hatch cover needs.

Seamless and glueless gasket snaps into place
